

# Notation and Terminology for the Job Market

This document defines terms and notation used in the other job market documents.

Item	Explanation
<b>Moniker</b>	- Your <b>Moniker</b> , used for naming CV, Abstract, etc. It MUST be <b>FamilynameFirstinitialMiddleinitial</b> e.g., for Christopher D. Carroll it would be <b>CarrollCD</b> (We insist on the middle initial because some previous student may have had the same last name and first initial that you have) <b>NO SPACES ALLOWED!</b> To satisfy both of these rules, for example, Pierangelo De Pace's moniker was <b>DePacePA</b> (Angelo is the implicit middle name) Getting capitalization right is important - don't be sloppy
