Notation and Terminology for the Job Market

This document defines terms and notation used in the other job market documents.

Item		Explanation
Moniker	-	Your `Moniker`, used for naming CV, Abstract, etc.
		It MUST be `FamilynameFirstinitialMiddleinitial`
		e.g., for Christopher D. Carroll it would be `CarrollCD`
		(We insist on the middle initial because some previous student may
		have had the same last name and first initial that you have)
		NO SPACES ALLOWED!
		To satisfy both of these rules, for example, Pierangelo De Pace's moniker
		was `DePacePA` (Angelo is the implicit middle name)
		Getting capitalization right is important - don't be sloppy
